

## OXYGENUM DRY DANDRUFF

Recommended for the treatment of dandruff and peeling

- PURIFIES THE HAIR AND SCALP
- STRENGTHENS THE SCALP'S NATURAL DEFENSES
- ELIMINATES DANDRUFF AND REGULATES THE SEBACEOUS GLANDS
- MOISTURIZES THE SCALP AND HAIR, WITH ADDED SHINE

### PEELING #23

- Oxygenating concentrate peeling
- Gently exfoliates, boosting the regeneration of the epidermis. Purifies and acts effectively against the development of dandruff, eliminating dead skin cells and providing powerful anti-dandruff protection. The combined action of lavender extract, Echinacea and cellular oxygenator provides a comfortable soothing sensation.
- With Echinacea, lavender and a cellular oxygenator
- 75ml

### How to use

Apply to damp, unwashed hair. Begin application by parting the hair at different points on the head. Part the hair in 5 places in the front and in 3 places on the back of the head (between the ears and the nape of the neck). Apply approximately 5 cm of product to each part. Spread evenly over the entire scalp, using your finger tips to massage it in gently, with a circular motion. Leave on for 2 minutes. Rinse with plenty of warm water. Wash the hair with the corresponding CAPILLO shampoo.

### SHAMPOO #06

- Normalising treatment shampoo
- Formulated with Echinacea and White Tea, it creates a hydrolipidic barrier to protect and purify the scalp. It works to eliminate dandruff, reduce irritation and reduce the risk of the problem reoccurring.
- With Echinacea and white tea
- 250ml

### How to use

Apply to damp hair, massaging it in with circular movements from the forehead to the nape of the neck. Rinse with warm water. Apply a second time.

### AQUA-INFUSION #34

- Moisturising Lotion
- Purifies, soothes and eliminates dandruff. The combined action of Echinacea and White Tea act deep down, creating a hydrolipidic barrier to protect the scalp. The cellular oxygenator incorporated in its formula exerts a great oxygenating effect on the skin cells of the scalp.
- With Echinacea, white tea and a cellular oxygenator
- 7ml (10 u. X 7ml)

### How to use

Use on freshly shampooed and towel-dried hair. Apply an entire single dose directly to the scalp, part by part. Vigorously massage in with the fingertips to stimulate the microcirculation of the scalp and favor the complete absorption of the product. Do not rinse.

### HOW TO APPLY CAPILLO TREATMENTS

#### STEP BY STEP:

Step 1: apply the peeling (see how to use).

Step 2: rinse the peeling off with plenty of warm water

Step 3: wash the hair with the recommended shampoo (see how to use).

Step 4: carefully towel-dry the hair, always massaging, never rubbing the hair.

Step 5: apply the lotion (see how to use).

Step 6: massage the scalp to activate its microcirculation.

LENGTH OF TREATMENT: 3 to 6 months, depending on the type of alopecia and level of persistence.
